Subject: Checking in on meeting Thursday, March 3 in Billings for formal consultation on the Dewey-Burdock site

Hello Ms. Nez Perce and Mr. Black Wolf,

I just wanted to make sure that Thursday, March 3 is still a good time to hold our formal consultation meeting to discuss the Dewey-Burdock uranium ISR site. I am working on reserving the meeting space. Since you have a fairly long drive to Billings, would you like to set the meeting time?

We can talk more about the list of topics that would be good to cover during the meeting maybe next week, as your schedules permits.

Thanks!

Valois
